

**Lev's Diamonds are a Crime's Best Friend
(to the tune of "Diamonds are a Girl's Best Friend")**

Your grab at our land
Is destroying a people
Lev's diamonds are a crime's best friend

You give theft a hand
With your money - how evil
Knocking buildings flat
Bil'in, Jayyous, that's where it's at

Lev grows bold
With billions sold
And Palestine starves while you spend

No matter what they say
Apartheid's the endgame
Lev's diamonds are a crime's best friend

Apartheid! (pause)
Injustice! (pause)
Theft!
Set-tle-ments! (pause)
These are all Lev Leviev
We'll tell you about it

He's taking the farms
From the fam'lies who live there
Lev's diamonds are a crime's best friends

In Brooklyn his projects
Abused all the workers
And at that kind of price
Our neighborhoods get put on ice

Lev's the guy
For the New York Times
But he'll be exposed in the end

Look who this louse is
He's knocking down houses
Lev's diamonds are a crime's best friend

I've heard his affairs
Help Angolan dictators
Lev's diamonds are a crime's best friend

And all Lev's celebs
and his donor excuses
have up and left.
They won't whitewash illegal acts.

Lev goes on
Just pushing on
Another settlement round every bend
Illegal
Apartheid
We will not let you hide

Diamonds! (pause) Diamonds!
Leviev's Diamonds
Lev's diamonds are a crime's best friend!

Don't Buy Me Lev
(to the tune of The Beatles' "Can't Buy Me Love")

Don't buy me Lev, Lev

Don't buy me Lev

Don't buy a diamond ring from Lev, and now I'll tell you why

Settlements on stolen land, He's a really nasty guy

Lev's a crook so save your money, baby don't buy me Lev

I'll give you all the proof you want, for example here's a fact

Lev takes land for colonies, those who protest are attacked

I don't like the occupation, baby don't buy me Lev

Don't buy me Lev, he's stealin' land you know,

Don't buy me Lev, not from that SHMOEEEEEE

Say you won't buy no diamond ring, and I'll be satisfied

Tell me that you'll heed the boycott call, 'gainst Israeli apartheid

I don't care for - Lev's blood diamonds, free Palestine instead!

Don't buy me Lev, he's stealin land you know,

Don't buy me Lev, not from that SHMOEEEEEE

Don't buy me Lev, Lev

Don't buy me Lev

Single Lev'ies (to the tune of *Single Ladies* by Beyonce)

All the customers! (repeat 7x)

Now put your hands up!
Up at the store, we all showed up
doing our own pro-test.
You used to shop, now we want you to stop
cuz settlements are a crime.
We've got the facts, its apartheid,
so don't pay for Lev's dia-monds!
He steals the land and builds on it
so you really should boycott him!

[Chorus]

Its apartheid so you shouldn't put a ring on it
Its apartheid so you shouldn't put a ring on it
Occupation is a crime so put an end to it!
Its apartheid so you shouldn't put a ring on it

wo oh ooh oh oh ooh oh oh ooh oh oh oh
wo oh ooh oh oh ooh oh oh ooh oh oh oh

Its apartheid so you shouldn't put a ring on it
Its apartheid so you shouldn't put a ring on it
Occupation is a crime so put an end to it!
Its apartheid so you shouldn't put a ring on it

free on my lips, palestine on my lips
and boycott is the way!
Add it up, his time is up,
we don't care what he thinks.
need no apartheid, did I mention
Don't pay Lev any a-ttention!
He had his turn
he's gonna learn
its time for boycott!

[Chorus]

Its apartheid so you shouldn't put a ring on it
Its apartheid so you shouldn't put a ring on it
Occupation is a crime so put an end to it!
Its apartheid so you shouldn't put a ring on it

woo oh ooh oh oh ooh oh oh ooh oh oh oh
woo oh ooh oh oh ooh oh oh ooh oh oh oh

Its apartheid so you shouldn't put a ring on it
Its apartheid so you shouldn't put a ring on it
Occupation is a crime so put an end to it!
Its apartheid so you shouldn't put a ring on it
