## DIVESTMENT IS COMING TO TOWN

(tune: "Santa Claus is Coming to Town")

You'd better divest  
You'd better not buy  
Each dollar to Cat helps fund apartheid  
Caterpillar's coming to town

We're getting real pissed  
But we're telling you nice  
A CAT D-9 is an evil device  
Caterpillar's coming to town

(Bridge)

Huge profits they've been reaping  
Whole villages they take  
Their bottom line may look real fine,  
But they leave blood in their wake! So,

You'd better divest  
You'd better not buy  
Each dollar to Cat helps fund apartheid  
Divestment is coming to town

## BULLDOZER, DOZER, DOZER

(tune: "Dreidel, Dreidel, Dreidel")

I have a little dozer  
OK it's not so small  
And when I'm good and ready  
I'll smash down your front wall

Bulldozer, dozer, dozer  
I smash your house to clay  
And when I'm good and ready

17

Ethnic cleansing I shall play

So boycott boycott boycott  
Join the rising tide  
For our sisters and our brothers  
Stop funding apartheid

So let's divest from CAT now  
Let the aggression cease  
Love your neighbor, not destruction—  
This season, work for peace!

## CATERPILLAR, CATERPILLAR

(tune: Chanukah, Oh Chanukah)

Caterpillar, Caterpillar  
Not in the Torah  
When you kill a village  
You're opening Pandora

Firing up your dozers  
You smash houses flat  
People's lives you play with  
Freedom you combat

And when you come calling  
Only moments of warning you give  
Their land in your sights  
You destroy all their rights  
You remind us of old Jim Crow

Their land in your sights  
You destroy all their rights, we  
Should have sold your stock long ago

17

## CATERPILLAR

(tune: “Deck the Halls”)

Caterpillar, oh my golly  
Fa la la la la, la la la la  
Home destruction is not jolly  
Fa la la la la, la la la la

See the leveled land before us  
Fa la la la la, la la la la  
It’s no wonder they abhor us  
Fa la la la la, la la la la

Boycott now the D-9 dozer  
Fa la la la la, la la la la  
It’s the ultimate forecloser  
Fa la la la la, la la la la

They’ve caused suffering beyond measure  
Fa la la la la, la la la la  
Let’s divest from evil treasure  
Fa la la la la, la la la la

Morals high Israel espouses  
Fa la la la la, la la la la  
So they bulldoze families’ houses  
Fa la la la la, la la la la

Don’t invest in such aggression  
Fa la la la la, la la la la  
Justice is our sole obsession  
Fa la la la la, la la la la

### IT’S BEGINNING TO LOOK LIKE MASS EXPULSION

(tune: “It’s Beginning to Look a Lot Like  
Christmas”)

It’s beginning to look like ethnic cleansing  
(or: mass expulsion, a bit destructive...)  
In Jerusalem  
The headlines rolling in,  
listing Caterpillar’s sins  
Their violence and destruction we condemn

It’s beginning to look like ethnic cleansing  
When you lose your home  
All the world’s started to see, the criminality  
And we don’t buy it any more

A stock in gross civil wrongs  
is not what belongs  
In T-CREF’s social choice fund  
But in fact what we find is this cursed D-9  
Honestly, T-CREF, we’re stunned  
Investors and friends can hardly wait  
To invest in justice again

It’s beginning to sound like ethnic cleansing  
To miss it you must be deaf  
And the thing that will make us know  
We stood up and said hell no  
Is divestment from destruction by T-CREF

## OLD ABDALLAH

Old Abdallah had a farm  
(ee-eye-ee-eye-oh)  
And on his farm he grew zaytoon  
(ee-eye-ee-eye-oh)

With a good crop here and a good crop there  
Here a crop, there a crop  
everywhere a good crop  
Old Abdallah had a farm  
(ee-eye-ee-eye-oh)

And from his farm they took his trees  
(ee-eye-ee-eye-oh)  
With a caterpillar here, a caterpillar there  
Here a cat, there a cat, everywhere a cat, cat  
Old Abdallah had a farm  
(ee-eye-ee-eye-oh)

And on his farm they built the wall  
(ee-eye-ee-eye-oh)  
With a checkpoint here and a checkpoint there  
Here a soldier, there a soldier  
everywhere Israeli soldiers  
Old Abdallah had a farm  
(ee-eye-ee-eye-oh)

And from his farm they took his sons  
(ee-eye-ee-eye-oh)  
With an army raid here, army raid there  
Here a raid, there a raid  
Everywhere an army raid  
Old Abdallah had a farm  
(ee-eye-ee-eye-oh)

And on his farm he gathered friends  
(ee-eye-ee-eye-oh)  
With a protest here, a protest there  
Here a march, there a march  
this is how a movement starts  
Old Abdallah had a farm  
(ee-eye-ee-eye-oh)

Back at home we heard the call,  
Demands they numbered three  
Occupation falls, equality for all,  
Return of refugees  
With a boycott here, divestment there  
BDS grows everywhere  
Join us now and boycott here,  
Save Abdallah’s farm!

### TURN ME ROUND

Ain’t gonna let occupation  
Turn me ‘round, turn me ‘round,  
turn me round  
Ain’t gonna let occupation  
Turn me ‘round  
Gonna keep on walkin’, keep boycottin’  
‘Til Palestine is free  
Ain’t gonna let bombs on Gaza...  
Ain’t gonna let Apartheid...  
Ain’t gonna let Netanyahu...  
Ain’t gonna let Brand Israel...  
Ain’t gonna let whitewashing..

## WE SHALL NOT BE MOVED

*Chorus:*

*We shall not, we shall not be moved*

*We shall not, we shall not be moved*

*Just like a tree that's planted by the water*

*We shall not be moved*

Palestine, we shall not be moved

Palestine, we shall not be moved

Until Israel stops its occupation

We shall not be moved

Palestine, we shall not be moved

Palestine, we shall not be moved

Just like those Freedom Fighters

in South Africa

We shall not be moved

Palestine, we shall not be moved

Palestine, we shall not be moved

We'll boycott Israel 'til there's justice

We shall not be moved

Chorus

Tear gas will not stop us, we shall not be...

We're fighting for our farmland,

we shall not be...

We're fighting for our children,

we shall not be...

We'll end this occupation,

we shall not be...

No walls through our village,

we shall not be...

## WHICH SIDE ARE YOU ON?

I was sittin' home watching CNN

Runnin' that government line

They say that Israel must be safe

But what about Palestine?

*Chorus:*

*Which side are you on?*

*Which side are you on?*

*Justice or oppression?*

*Which side are you on?*

All we really want is peace

Palestinians want it too

But segregation walls and bombs

Can't lead to anything new

Chorus

In Egypt and in Palestine

Folks struggle for their rights

Until each child can say, "I'm free!"

We all must join the fight

Chorus

Boycott, Divestment, Sanctions

BDS to be concise

You too can help apartheid end

Make Israel pay a price

Chorus

## AHAVA OH AHAVA

(tune: "Hanukkah oh Hanukkah")

Ahava oh Ahava

Destruction you're sowing

Stealing the land

where the crops all are growing

Mining from the Dead Sea, is theft and deceit

You know ethnic cleansing is hardly a treat

And while you ignore it

A settlement still is a crime

No matter where Apartheid's not fair

And we'll resist you every time

No matter where Apartheid's not fair

And we'll resist you every time

## AHAVA IS COMING TO TOWN

(tune: "Santa Claus is Coming to Town")

You'd better not shop

You'd better not buy

Each dollar spent here helps fund apartheid

Ahava is coming to town

We're making 'em shvitz

We'll make 'em think twice

We're gonna boycott until they act nice

Ahava is coming to town

Those profits they've been reaping

Dead bodies in their wake

Although it makes your skin look good,

Rots your soul for goodness sake!

Oh, you'd better not shop

You'd better not buy

Each dollar spent here helps fund apartheid

Ahava is coming to town

## WE WISH YOU A LOSS OF BUSINESS

(tune: "We Wish You a Merry Christmas")

Don't bring us your stolen beauty

Don't bring us your stolen beauty

We know that it's stolen beauty

And it brings no good cheer

Apartheid is one thing you've got your hands in,

Stealing minerals, you're criminals

and cheap profiteers

Your cream is a bit off-putting

Let's get on a better footing

And stop all the pussyfooting

It's a settlement souvenir

We won't go until there's justice

We won't go until there's justice

We won't go until there's justice

If it takes us all year

You're stealing the land and water

We don't think you really oughter

That beauty cream you bought her

Makes her soul disappear

Don't bring us your stolen beauty

Don't bring us your stolen beauty

We know that it's stolen beauty

And it brings no good cheer

# CHRISTMAS/CHANUKAH SONGS

## AHAVA

(tune: "Jingle Bells")

Beauty cream's not what it seems  
If it's from Ahava  
Dead Sea mining violates international law.

Building settlements  
On confiscated lands,  
Selling beauty creams,  
Blood mixed in with mud. No No No!

Making lots of dough,  
Ignoring human rights  
What a shame it is to shop for Ahava  
tonight! HEY!

Beauty cream's not what it seems  
If it's from Ahava  
Ethnic cleansing violates international law.

When greed is the game  
Why speak of human rights?  
Some folks got no shame  
Out of mind and sight! Ho Ho Ho!

If it sells, if it sells,  
Nothin's in the way!  
Oh what fun it is to hide  
the high price poor folks pay! HEY!

Beauty cream's not what it seems  
If it's from Ahava  
Stolen beauty violates international law.

## DON'T BUY ISRAELI

(tune: *Hava Nagila*)

Thanks to Linda Jansen, Seattle

*Chorus:*

*Don't buy Israeli, don't buy Israeli  
Don't buy Israeli goods today!  
Don't buy Israeli, don't buy Israeli  
Don't buy Israeli goods today!*

L'Oreal and Ahava,  
Stolen beauty breaks the law  
Don't buy Israeli goods! Stop today!  
Motorola, Sabra Hummus  
You won't take our freedom from us  
Don't buy Israeli goods! Stop today!  
Hey, hey, hey hey hey hey  
Our tax dollars buy the weapons  
Gotta stop this gruesome schleppin'  
Congress needs some moral fiber  
Zionists can't be the drivers  
Freedom now, freedom now  
Freedom now for Palestine!  
Chorus

When you shop and when you dine  
You can send Israel a sign  
Don't buy Israeli goods! Stop today!  
Human rights are on the line,  
Stand up for Palestine!  
Don't buy Israeli goods! Stop today!

Hey, hey, hey hey hey hey  
Our tax dollars buy the weapons  
Gotta stop this gruesome schleppin'  
Congress needs some moral fiber  
Zionists can't be the drivers

Freedom now, freedom now  
Freedom now for Palestine!  
Chorus

## THE BOYCOTT CALL

(tune: L. Cohen's "Democracy")

It's comin' through the tears and angry shouts  
From Palestinians on the ground without a house  
It's comin' from the just who realize they must  
If peace shall ever come for anyone  
From the victims losing homes  
and white phosphorus still burning  
From those children's broken bones  
Hopes of refugees returning  
The Boycott Call is comin'... to the USA

It's comin right through the Apartheid Wall  
Through those of conscience,  
and those who came and saw  
On Arab streets and avenues  
Amongst the righteous Jews  
Even echoing through academic halls  
It comes with every settler gang  
that Israel's lettin' loose  
Every time they close the crossings, and  
tighten up that noose.  
The boycott call is comin'... to the USA

## PROFIT FROM WAR NO MORE

(tune: "Down By the Riverside")

We're gonna Boycott Israel (*clap clap*)

'Til Palestine is free

'Til Palestine is free

'Til Palestine is free

We're gonna Boycott Israel (*clap clap*)

Til Palestine is free

They will profit from war no more

Ain't gonna study war no more.....

We're gonna Boycott Moto too (*clap clap*)

Won't let them rest until

Won't let them rest until

Won't let them rest until

We're gonna Boycott Moto too (*clap clap*)

Won't let them rest until

They profit from war no more

## BUY, BUY APARTHEID

(tune: "Bye, Bye, Birdie")

Pack up all your cares and woes,

Social conscience, there it goes

I buy apartheid,

Where somebody's land is free

It must be made for me,

I buy apartheid!

I don't see the suffering of others

They'd all move away if I had my druthers

God gave me their water and land

That's why I buy Israeli brands

Apartheid I'll buy

Pack up all your olive trees

That you've grown for centuries

Bye-bye natives

We were here before you were

Now we're back, you must defer

Bye-bye natives

International law can't understand me

And then that human rights stuff

They all hand me

God gave me your water and land

That's why I buy Israeli brands

Apartheid I buy

Apartheid I buy

In the midst of a city

I saw a light rail

Built by Veolia to make the peace fail

You can't seize the capital of another people

This stock's not made for you and me

As I go marchin'

I'm singin' and strummin'

'Bout assaults on civilians

By Northrop Grumman

Military surveillance by Motorola

This portfolio's not made for you and me

This plan is your plan, this plan is my plan

From the hospital corridor to the college campus

We're choosing equities, not inequities

T-CREF divest for you and me

As I was driving I saw a sign there

And that sign said

Settlers only

But on the other side

It spoke of justice

That side belongs to you and me

When I choose an annuity

Don't want incongruity

Cause I'm gonna hold it

Almost in perpetuity

No ambiguity, simply ingenuity

T-CREF, divest from apartheid

This plan is your plan, this plan is my plan

When we stop working, we'll have our pension

We make smart choices

For the greater good

So let's divest from apartheid

## THIS PLAN IS YOUR PLAN

(tune: Woody Guthrie's "This Land Is Your Land")

This plan is your plan,  
This plan is my plan  
When we stop working,  
we'll have our pension  
We make smart choices  
For the greater good  
So let's divest from apartheid

I said to T-CREF  
These are my investments  
I want to make them  
ethical and peaceful  
Don't wanta invest in  
Colonialism  
This plan was made for you and me

As I studied my holdings  
and my percentage points  
I saw below me support for checkpoints  
I saw beside me ethnic cleansing  
This plan must be changed by you and me

O I've roamed and rambled  
and followed the research  
From uprooted orchards to Apache choppers  
And all around me a voice was sounding  
Divest from settler colonies

This plan is your plan  
This plan is my plan  
No room for violence  
Or occupation  
For peaceful retirement  
There's one requirement  
T-CREF, divest for you and me  
As I went walking  
I saw a high wall  
With hi-tech equipment  
from Elbit Systems  
And house demolitions by Caterpillar  
These stocks weren't made for you and me

## BDS...JUST BOYCOTT, MAKE THEM DIVEST

(tune: The Jackson Five's "ABC")

B B-B B D-S  
B B-B B D-S  
You went to hear some music  
Now you're standing with  
tickets in hand  
But, we got three letters to  
sing to you  
That's why we're singing our  
just demand  
(Now now now)  
We're gonna teach you  
All about whitewash  
Sit yourself down, and take  
a seat  
All you gotta do is repeat  
after me

*chorus:*  
*BDS*  
*Let's boycott, why not divest*  
*And sanctions*  
*Make Israel see*  
*There's a price, don't make nice,*  
*'Til Palestine is free*

BDS  
Brand Israel hides distress  
It covers up Israel's crimes  
But its time, for freedom for  
Palestine  
(1 bar rest)

Come on let us tell you just a  
thing or two

We are gonna tell you to  
boycott all-out  
Come on, come on come on  
Let us tell you what it's all  
about

Bil'in, Jayyous, Jerusalem  
Israel is destroying lives  
And with the help of their  
collaboration  
Many a dictator thrives  
Now now now we're gonna  
show you  
(show you, show you)  
How to BDS (how to BDS)  
Spell "me"....."you"  
Standing up for justice, that's  
all you gotta do

*chorus*

BDS  
Brand Israel hides distress  
It covers up Israel's crimes  
But its time, for freedom for  
Palestine  
Freedom now for Palestine  
Freedom now for Palestine  
Freedom now for Palestine

Sit down [*name*], and stop  
your lying!  
Get up folks, show us what  
you can do!

Don't whitewash apartheid  
Don't whitewash apartheid  
Don't whitewash apartheid  
Don't whitewash apartheid  
Don't whitewash apartheid  
Don't whitewash apartheid

Freedom now for Palestine

BDS  
Brand Israel hides distress  
It covers up Israel's crimes  
But its time, for freedom for  
Palestine

We are gonna show you how  
to BDS

Come on, come on come on  
Let us tell you what it's all  
about

*chorus*

We are gonna show you how  
to BDS

Come on, come on come on  
Let us tell you what it's all  
about

## CATERPILLAR

(tune: "Hello Mudda")

Caterpillar you're a killer  
You're the foremost fear instiller  
Smashing homes is your profession  
In the cause of Palestinian dispossession

Dear stockholders, think a minute  
Your portfolio, what is in it?  
Let them come home to their village  
Don't invest in demolition, death and pillage

(Bridge)

T-CREF, here's a rule of thumb  
Don't count on bloodstained income  
Gained from your sad participation  
In the theft of land by Caterpillar's hands

Wait a minute, they've stopped wrecking  
Human rights law, now they're checking  
Guess they heard that we might divest  
Caterpillar kindly disregard this protest

## HELLO MOTO

(same again, but...)

Hello Moto here's a photo  
This is me not buying your phone  
Not because of the recession  
But because of Palestinian dispossession

Your communi-  
Cations know-how  
Has turned suffering to a cash cow  
Helping settlers squash a nation  
How I'm hoping you will help with its cessa-  
tion

I don't need a cellphone picture  
To know how the checkpoint strictures  
Ruin the lives of Palestinians  
Who can't get out or in!

Moto you can stop it  
If you give up bloody profits  
Gained from your sad participation  
In the theft of land  
As settlements expand

Wait a minute,  
They've stopped bombing  
No more checkpoints, people calming  
There is justice, so says Newsday  
Thank you Moto for your change of heart  
next Tuesday

## T-I-A-A

(tune: The Village People's "Y-M-C-A")

T-CREF,  
They say they're the best  
For people  
Who want to invest  
We say  
They should divest  
From the occ-u-pa-tion

T-CREF  
We know your motto  
That you care  
About more than our dough  
That you work  
For the greater good  
Well here is the way that you should

It's time to divest, T-I-A-A-CREF  
It's time to divest, T-I-A-A-CREF  
You got to pull all your funds  
From the corporations  
Profiting from occupation  
Of Palestine

T-I-A-A-CREF  
It's time to divest T-I-A-A-CREF  
You got to pull all your funds  
From the corporations  
Profiting from occupation

T-CREF  
Are you listening to me?  
I said T-CREF  
Who do you want to be?  
I said T-CREF  
Invest responsibly  
So Palestine can be free

T-CREF  
Divest from Motorola  
T-CREF  
Elbit and Veolia  
I said T-CREF,  
Divest from Caterpillar  
And North-rop Gru-u-um-man

It's time to divest, T-I-A-A-CREF  
It's time to divest, T-I-A-A-CREF  
You got to pull all your funds  
From the corporations  
Profiting from occupation  
Of Palestine

T-I-A-A-CREF  
It's time to divest T-I-A-A-CREF  
You got to pull all your funds  
From the corporations  
Profiting from occupation  
Of Palestine!

## AHAVA MEDLEY

(The Times They Are A-Changin')  
Come gather 'round people wherever you buy  
And admit that the makeup you're using's a lie  
And accept that it causes Palestinians to die  
If human rights are worth savin'  
Then you're better boycottin' Ahava apartheid  
For the times they are a-changin'.

(Mack the Knife)  
Ahava sells beauty creams dear, and they  
make them for your delight  
But apartheid's in the background, and they  
keep it out of sight

When the Dead Sea is a colony,  
and the settlements start to spread  
Mineral mud, dear, hides apartheid, more  
dispossession lies ahead

We went looking At the Dead Sea-  
subjugation's what we saw  
Someone's sneakin' 'round the truth dear,  
is that someone Ahava?

Down at Ricky's, Tuesday evening,  
something's sticking in our craw  
Don't use lotions for ethnic cleansing  
That's what you get with Ahava

(Drive My Car)  
Asked that girl what she wanted to be  
She said baby can't you see  
I wanta look fine with some beauty cream  
But ethnic cleansing's killing the dream

Don't buy me no Ahava  
From a stolen beauty spa  
Don't buy me no Ahava

(All you need is love)  
Ahava means love  
So why do they shove  
Nothing to be proud of, love  
Freedom's all you need

(Battle Hymn)  
Mine eyes have seen the story  
of the mud in Ahava  
They are trampling on the people and on  
international law  
From the Dead Sea and all Palestine  
they really must withdraw  
The truth is marching on

Glory, glory, don't buy Ahava  
Glory, glory, don't buy Ahava  
Glory, glory, don't buy Ahava  
Solidarity's marching on!

## MOTOROLA CRIME-LAND

(tune: Gilligan's Island Theme Song)

Come sit with us and you'll hear a tale,  
Of an occupation force,  
That's taking people's land and lives,  
With corporate help, of course.  
With corporate help, of course.

Motorola is a firm,  
That won't pass up a buck.  
They profit from their cell phones,  
And practices that suck!  
And practices that suck!

The kids in the Gaza Strip were starved,  
Killed by bombs dropped from drones.  
The Israeli army planned all this,  
Using Moto phones.  
They were using Moto phones.

If you think that's not enough,  
To join in our boycott...  
They've built fuzes  
For cluster bombs,  
Surveillance systems for use  
In illegal settlements.  
Boycott Motorola!

This tale of Motorola's crimes  
Didn't start in the Mideast  
South Africa's apartheid, they  
Sold radios to police.

Sadly, Moto didn't learn.  
Til Moto stops the crime,  
Of profiting from Apartheid,  
We won't give them a dime.

No offices, no U.S. aid  
No PR agency  
Israel may have resources.  
We tell the truth for free.

So join us every other week,  
Don't sit at home and groan.  
'Til there's justice for Palestine,  
Don't buy a Moto cell phone!

## SABRA SONG

(tune: "Darling Clementine")

In a tavern with my companion  
Excavating for some wine  
Found my hummus implicated  
In the suffering in Palestine

Humiliation of a nation  
By brigades who have free rein  
Soldiers supported by Sabra Hummus chant  
"We are Golani, we are insane"

We say Sabra is macabre  
On its war crimes we won't dine  
Won't let it near our candelabra  
Cause it's killing Palestine

None among us wants a hummus  
If we must cross a picket line  
When we learned what we'd been buying  
Dreadful sorry, Palestine

It's ironic and demonic  
And it's really not benign  
Eating Arab food while paying  
for the murder of Palestine

O my darling, I'm not quarreling  
Just don't bring it to my house  
Tastes like Human rights violations  
Don't buy anything from Strauss

And Tribe hummus just among us  
Donates to the Jewish National Fund  
Stealing land from indigenous people

And that's why Tribe should be shunned  
There is hummus  
Right among us  
We can eat, and sleep at night  
Doesn't kill indigenous people  
Stealing land and water rights

So buy local, and be more vocal  
Ethnic cleansing, don't abide  
Or make your own, get in the zone  
Don't despair until you've tried

Some Garbanzo or either Chick peas  
Which are actually the same  
Garlic, salt and olive oil  
And you're ready now to bring

Some tahini, it's made from sesame  
Dash of Lemon juice, you bet  
Don't like our recipe,  
look one up yourself,  
that's why God made the internet

Sabra hummus, Sabra hummus  
We won't buy you anymore  
You are lost and gone forever  
Dreadful Golani we abhor

## VEOLIA

(tune: The Kinks' "Victoria")

Built a fine factory  
In the land of Galilee  
From three Palestinian villages  
Factory land it was pillaged  
Sure it's great underwear  
Made by land theft over there

*Chorus:*

*Victoria, (what's your secret!)*

*Victoria, (apartheid!)*

*Victoria, like Pretoria*

Companies that make their tights  
Are the worst on labor rights  
Outsourced labor, pay is teeny

Allowed 3 minutes per bikini  
Some may call that free trade  
It's a sweatshop panty raid

Got some beautiful bras  
But they give me the blahs  
Lost my mood for flirting  
When I saw how they were hurting  
Don't you buy no babydoll  
Heed the people's boycott call

Biggest name in fabric field  
their supplier Delta Galil  
Their m.o. is to steal  
That has no sex appeal  
Home demolitions, stolen land  
Got me switchin to different brand
