SONGS

1. Turn Me Round

(To the tune of "Ain't Gonna Let Nobody Turn Me 'Round")

Ain't gonna let occupation
Turn me 'round, turn me 'round,
 turn me round
Ain't gonna let occupation
Turn me 'round
Gonna keep on walkin', keep boycottin'
'Til Palestine is free

Ain't gonna let Batsheva...
Ain't gonna let Brand Israel...
Ain't gonna let whitewashing...
Ain't gonna let oppression...
Ain't gonna let bans and walls...
Ain't gonna let illegal settlements...
Ain't gonna let the siege on Gaza...
Ain't gonna let BAM's excuses...
Ain't gonna let artwashing...
Ain't gonna let Netanyahu...
Ain't gonna let Donald Trump...
Ain't gonna let AIPAC...
Ain't gonna let Bill de Blasio...
Ain't gonna let theft of land...
Ain't gonna let theft of water...
Ain't gonna let uprooting olive trees...
Ain't gonna let colonization...
Ain't gonna let 70 years...
Ain't gonna let racism...
Ain't gonna let apartheid...

2. Wein 'a Ramallah

(For Batsheva)

Boycott Batsheva
Boycott Batsheva
Boycott, boycott, boycott Batsheva
(repeat)

Justice for Palestine
Justice for Palestine
Justice, justice, justice for Palestine
(repeat)

2. Freedom Side (Which Side Are You On?)

Which side are you on, my people?
Which side are you on?
(We're on the freedom side)
Which side are you on, my people?
Which side are you on?

Razan al-Najjar was a freedom fighter
She taught us how to fight
We're gonna fight all day and night
Until we get it right

Mohammed Abu Amr was a freedom fighter
He taught us how to fight...

Yasser Murtaja was a freedom fighter
He taught us how to fight...

3. Which Side Are You On?

[Chorus]:

Which side are you on?
Which side are you on?
Justice or oppression?
Which side are you on?

You'd *think* Palestinians started this
From The *New York Times* headline
They say that Israel must be safe
But *what* about Palestine?

Remember, resist, *and* return
The *Nakba's* got to end
Palestinians hold up their keys
'Til justice we won't bend

From New York to Palestine
Folks struggle for their rights
Until each child can say, "I'm free!"
We all must join the fight

Boycott, Divestment, Sanction
BDS to be concise
You too can help apartheid end
Make Israel pay a price

4. Boycott Batsheva

(To the tune of "Bella Ciao!")

We've got to wake up
We've got to wise up
We've got to boycott apartheid
Right now now now
We've got to build a better future
To fight for freedom this we vow

Supporting conquest
Is what we protest
Batsheva's artwashing IDF war crimes
We've got to build a better future
With peace and justice, not just
rhymes

Contract and release
Won't help to bring peace
Because their country is still
dispossessing folks
We've got to build a better future
Where we all have equal rights

So let's all wake up
The truth let's take up
No more stealing of water and land and
rights
We're gonna build a better future
And we're gonna start right now

5. We Shall Not Be Moved

CHORUS (AFTER EACH VERSE):

We shall not, we shall not be moved
We shall not, we shall not be moved
Just like a tree that's planted by the water
We shall not be moved

Ambassador for *Brand* Israel,
We shall not be moved
But human rights *will* prevail
We shall not be moved
So we'll *boycott* Batsheva 'til there's justice
We shall not be moved

Examine your alignment
We shall not be moved
Artwashing's your assignment
We shall not be moved
So we'll *boycott* Batsheva 'til there's justice
We shall not be moved

Your *movements* range from bound to free
We shall not be moved
As *someday* Palestine will be
We shall not be moved
(Meanwhile we'll) *boycott* Batsheva 'til
there's justice
We shall not be moved

Silent *complicity's* your trade
We shall not be moved
Your stance is really retrograde
We shall not be moved
So we'll *boycott* Batsheva 'til there's justice
We shall not be moved

Nice mirroring and fine motif
We shall not be moved
You're ethnic cleansing's best fig leaf
We shall not be moved
So we'll *boycott* Batsheva 'til there's justice
We shall not be moved
